Dear Parent/Carer

6th Form Dress Code

As previously communicated, we are incredibly proud of our students and the pride that they show in the school; the vast majority come to school looking very smart, wearing the correct dress code ready for a day of learning.

We believe that wearing the correct dress code is an essential part of our students' education. It promotes a sense of belonging, as well as readiness, respect and responsibility, which are important values we strive to instil in our students.

Unfortunately, this term, a small number of students have pushed the boundaries by wearing clothing that is not appropriate for the 6th Form and the office-style approach that we have taken. At present, the main issues with the dress code are the wearing of trainers and leisure clothing and the lack of a tie.

GMS is proud to be working with our parents and carers, and as such we ask that you support us by ensuring that your son/daughter wears appropriate dress code to school. Should items of uniform be missing, please can these be acquired so that all our students go to the end of the academic year in a way that facilitates their learning.

To clarify the dress code expectations and to prepare for the rest of this term and the new academic year, please go to the Dress Code tab in the 6th Form section of the [school website](#).

Thank you for your continued support.

Yours faithfully

Mr O Hollyman

Head of 6th Form/Assistant Headteacher
