## 1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all students
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every student has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure students have the support in place to attend school

We will also promote and support punctuality in attending lessons.

## 2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance](#) and [school attendance parent/carer responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Student Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)

### **3.5 Tutors and Class Teachers**

Tutors and Class Teachers are responsible for recording attendance in the morning registration period and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information on our data management system.

### **3.6 School admin staff**

School admin staff will:

- Take calls from parent/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parent/carers to the most relevant member of staff where appropriate, in order to provide them with more detailed support on attendance (Attendance Officer/Student Support Officer/Director of Learning/Senior Leader)

### **3.7 Parent/carers**

Where this policy refers to a parent/carer, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parent/carers, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parent/carers are expected to:

- Make sure their child attends every day on time
- Call or email the school to report their child's absence before 8:00am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the key member of staff who can be contacted via telephone or email (Attendance Officer/Student Support Officer/Director of Learning/Senior Leader)

### **3.8 Students**

Students are expected to:

- Attend school every day, on time
- Attend every timetabled session, on time

## **4. Recording attendance**

### **4.1 Attendance register**

We will keep an electronic attendance register and place all students onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Student Registration) (England) Regulations 2024, whether every student is:

- Present

- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a student is attending an approved educational activity
- The nature of circumstances, where a student is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:30am and ends at 3:00pm.

Students must arrive in school by 8:30am on each school day.

The register for the first session will be taken at 8:35am and will be kept open until 9:05am. The register for the second session will be taken at the beginning of period 4 (1:00pm). See section 4.4

#### **4.2 Unplanned absence**

The student's parent/carer must try to notify the school of the reason for the absence on the first day of an unplanned absence by 8:00am or as soon as practically possible, by calling or emailing the attendance officer, who can be contacted via email ([attendance@gms.bucks.sch.uk](mailto:attendance@gms.bucks.sch.uk)) or telephone 01628 483752.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parent/carers will be notified of this in advance.

#### **4.3 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the school in advance of the appointment.

However, we encourage parent/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

#### 4.4 Lateness and punctuality

A student who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

#### 4.5 Following up unexplained absence

Where any student we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call or message the student's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the student's emergency contacts, the school may undertake a visit to the home address and in extreme cases request support from the local police to conduct a home visit.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the student was absent
- Call or message the parent/carer on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the County Attendance Team
- Where relevant, report the unexplained absence to the student's youth offending team officer
- Where appropriate, offer support to the student and/or their parent/carers to improve attendance
- Identify whether the student needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

#### 4.6 Reporting to parent/carers

The school will regularly inform parent/carers (see definition of 'parent/carer', as used in this policy, in section 3.7 above) about their child's attendance and absence levels, this will be included in regular progress reports

### 5. Authorised and unauthorised absence

#### 5.1 Approval for term-time absence

The headteacher will allow students to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a student during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview

- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the student is authorised to be absent for.

We define 'exceptional circumstances' as; circumstances are one off event's which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance.

Leave of absence will not be granted for a student to take part in protest activity during school hours.

A leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday or absence due to a wedding.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via school website. The headteacher may require evidence to support any request for leave of absence. If a student is over compulsory school age (e.g. sixth form), leave can be requested by the parent/carer they normally live with.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parent/carer(s) belong(s). If necessary, the school will seek advice from the parent/carer's religious body to confirm whether the day is set apart
- Parent/carer(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the student is attending educational provision
- If the student is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a student to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the student is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the student not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

## 5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parent/carers for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that student
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent/carer who is liable for the student's offence(s) can be issued with a penalty notice, but this will usually only be the parent/carer/parents/carers who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent/carer must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent/carer in respect of the same student, the parent/carer must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent/carer in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parent/carers allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parent/carers that the student must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent/carer must pay £60 within 21 days, or £120.

### Notices to Improve

If the national threshold has been met and support is appropriate, but parent/carers do not engage with offers of support, the school may offer a notice to improve to give parent/carers a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the student attends school.

They will include:

- Details of the student's attendance record and of the offences
- The benefits of regular attendance and the duty of parent/carers under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## **6. Strategies for promoting attendance**

Great Marlow school promotes and celebrates attendance through our Thought for The Week programme and regular assemblies. Positive attendance is recognised and rewarded with achievement points and positive praise.

## **7. Supporting students who are absent or returning to school**

### **7.1 Students absent due to complex barriers to attendance and students absent due to mental or physical ill health or SEND**

The school recognises that students with complex barriers and/or SEND and/or health conditions, including mental health issues, may face greater barriers to attendance than their peers, and will incorporate robust procedures to support students who find attending school difficult. In line with the SEND Policy and Supporting Students with Medical Conditions Policy, the school will ensure that reasonable adjustments are made for disabled students to reduce barriers to attendance, in line with any EHC plans or IHPs that have been implemented. The school will secure additional support from external partners to help bolster attendance where appropriate. Where a student has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the student's needs, the school will inform the local authority. Key staff and parent/carers will meet to identify the barriers to good school attendance. If appropriate, the student's views will also be gathered. An attendance contract may be put in place to support progress towards improved attendance.

School-based interventions may be offered: Behaviour support sessions, soft starts, protected areas of school, a time-limited part-time timetable so the student can build success, Emotionally based School Avoidance resources used and staff or student mentoring.

External Interventions may be offered: referrals to outreach support, Educational Psychologist, CAMHS, Early Help/Family Support Services

### **7.2 Students returning to school after a lengthy or unavoidable period of absence**

As soon as parent/carers have informed the school of the expected date of return:

Key staff will organise a welcome back meeting for the student (and parent/carer if required) to attend before they return to normal routine. It may include:

- a discussion about timetable
- a check on expectations related to work in school and homework

- reasonable adjustments
- individual health care plan if required (meeting with school nurse)
- support plan if needed
- soft start

## **8. Attendance monitoring**

### **8.1 Monitoring attendance**

The school will monitor attendance and absence data (including punctuality) termly and yearly across the school and at an individual student, year group and cohort level.

Specific student information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the board of trustees.

### **8.2 Analysing attendance**

The school will:

- Analyse attendance and absence data regularly to identify students, groups or cohorts that need additional support with their attendance, and
- Identify students whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### **8.3 Using data to improve attendance**

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual students, groups or cohorts that it has identified via data analysis
- Provide targeted support to the students it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to Tutors, Student Support Officers and Directors of Learning to facilitate discussions with students and families, and to the board of Trustees and school leaders (including special educational needs co-ordinators, designated safeguarding lead and pupil premium leads)

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a student's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific students, where appropriate

#### **8.4 Reducing persistent and severe absence**

Persistent absence is where a student misses 10% or more of school, and severe absence is where a student misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parent/carers of students who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these students. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

#### **9. Monitoring arrangements**

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by Deputy Headteacher. At every review, the policy will be approved by the board of trustees.

#### **10. Links with other policies**

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour for Learning policy
