Dear Parents/Carers

Upcoming Theatre Session: Raising Awareness on Sexism, Misogyny, and Sexual Harassment

We are committed to providing our students with a safe and respectful learning environment. As part of our ongoing efforts, we have arranged for a theatre company to visit our school to deliver sessions on important societal issues.

On Thursday November 21st, we are pleased to welcome Narrative Alchemy, a leading applied theatre organisation. With over 10 years of experience working with Social Services, the Ministry of Defence, NHS, and UK Police Forces, they bring a wealth of expertise in supporting educational environments like ours.

About the Session:

- **Purpose:** To raise awareness among students about sexism, misogyny, and sexual harassment.
- **Format:** Engaging theatre-based sessions that encourage students to think critically and empathetically about these issues.
- **Goal:** To empower students to contribute positively to a culture of respect and equality.

Next Steps:

- **Discussion at School:** We will complete some follow up work with students in Tutor time and RSHE lessons.
- **Discussion at Home:** We encourage you to discuss these topics with your child before and after the session to reinforce the learning experience.

We believe this session will be invaluable in promoting a safer and more inclusive environment for all students. Thank you for your continued support.

Yours faithfully

Neil Maguire
