

Latest News

- The FoGMS team are feeling energised from their AGM and are pleased to **welcome three new committee members**, as well as a new chair, Emily Viarnaud, and secretary, Karen Pooley.
- The committee would like to give their very **warm thanks to Jane Trainer and Suzy McGeachan** who have stepped down this year after many years at the helm which have seen the committee go from strength to strength.
- **FoGMS is about community** as much as raising money for the school and we are incredibly proud of the breadth of events we put on; last year saw parents and children from across the school getting involved in golfing, bingo, discos, quizzes and first aid courses to name a few. We also sorted and sold a huge amount of pre-loved uniform, filled and distributed luxury hampers for our raffles, collected many bags of second-hand clothing, provided ice-cream and manned bars at many of the school productions.
- We are kicking off the year with our ever-popular **year 7 and 8 discos**, as well as a **catch-up coffee morning for year 7** parents after some confusion about dates. We very much look forward to seeing you all at one of the many opportunities to be involved.
