Great Marlow School: Eduqas GCSE Music Composition Unit intervention sessions

Dear Parent / Carer,

We are pleased to inform you that Year 11 GCSE Music pupils will be taking part in a series of one-to-one composition support sessions in the lead-up to their composition submission.

These sessions will take place outside of normal lesson time and are designed to provide pupils with individual, focused feedback on their compositions. During each session, pupils will receive tailored guidance on structure, harmony, melody, development of ideas, and meeting the GCSE assessment criteria. Experience shows that this targeted support can make a significant difference and can greatly improve pupils' grades in the composition unit, often by at least a grade and sometimes by several grades.

Each pupil has been allocated a session on a Monday or Wednesday in B12 between 3:00–4:00pm. Attendance is strongly recommended, as this is a valuable opportunity for pupils to refine their work and address any areas for improvement before final submission.
