12th February 2026

Dear Parent/Carer

I am delighted to let you know that we have launched the prefect selection process in our assembly today and students are invited to apply using the job link on our school website. I am really looking forward to reading the applications and choosing prefects to represent our school.

- **Wednesday 4th March 4pm** - Deadline for prefect applications
- **Friday 20th March** - successful applicants will be informed whether they have been allocated a prefect role.
- **Wednesday 25th March:** Parent/Carer and Student Prefect Tie Ceremony Assembly

The job application will be on the school website from today: **Thursday, 12th February**

Through being a prefect, students will:

- Be recognised around the school
- Support with school functions and events
- Have individual responsibility for a club or activity
- Receive rewards for representing the school positively
- Have additional responsibilities to discuss on their College/Sixth Form and Apprenticeship / Work applications

Prefects should embody our 6Rs. Ideal candidates show respect to the school and its community, are ready and punctual for their lessons, reflect on their progress and are resourceful in their approach to tasks. They will be resilient in the face of challenges and take responsibility in representing the school's vision and values.

Prefect applicants should be aware that the role of a prefect will mean a commitment to their allocated activities, representation at school events and various other student leadership roles and responsibilities, including acting as a role model to other Great Marlow students.

Of course, not all applicants will be successful in their application to the role of KS4 prefect. Those that are not successful may be given the opportunity to work towards specific targets and their application reconsidered in the autumn term of Y11.

The process of considering the role and their suitability, applying and eventually being successful or unsuccessful in the selection offers immeasurable life experience for the Y10 students.

Yours faithfully

Mrs Nicky Pendlebury
Director of Learning for Year 10
