**DEPUTY HEADTEACHER**  
Mr N Maguire

12<sup>th</sup> June 2026

Dear Parent / Carer,

## **GCSE Geography Fieldwork – Oxford**

The Geography Department are taking the Year 10 Geographers to Oxford on Thursday 9<sup>th</sup> July 2026. We will **depart from Great Marlow School at 9.00 and the estimated return time is 15.00**. Please be prepared to make alternative arrangements for your child to get home, if necessary, in case of any delays.

During our visit, we will participate in group work to collect primary fieldwork data in and around the central area of Oxford. Students will work independently in small groups in the city centre of Oxford. Students will check in regularly with their Geography teacher and other members of the Great Marlow School staff. As always, we expect the highest standards of personal behaviour throughout, and sanctions will apply if this is not the case.

### **On the day – In and around Oxford**

- Students need to dress appropriately for the weather
- Students need to ensure they have plenty of water on them
- Students will be able to purchase their own lunch so they will need money for this
- Students will be able to have their phones on them on the day as they will use them to take pictures
- Students require a pen to complete their data collection booklet

If you have any other questions concerning this trip, please let me know.

Yours faithfully  
Mrs N Messenger

Head of Geography
