

7th July 2026

Dear Parent/Carer,

Thank you for your interest and contribution towards the GCSE Statistics trip which is due to take place on Friday 25th September 2026.

There was a slight error on the MS form sent out and I just need to know if you will allow your child to attempt the 528 step climb up the Cathedral.

If you could please respond with your response to abansal@gms.bucks.sch.uk, I can then update the information for the trip.

The missing question is below which I believe you could not access. Please do refer back to the trip details if required.

13. Attempting the climb of the 528 Cathedral steps *

- ☐ I am happy for my child to attempt the steps
- ☐ I would prefer my child to wait at ground level

Thank you

Kind Regards
Mrs Bansal
